TAFT GETS IN SHAPE TO TAKE UP REINS

[Associated Press Telegram]

Washington, Dec. 12. — President-elect Taft had an extended conference at the White House with President Roosevelt. Many matters of importance were discussed.

The conference commenced at the conclusion of a dinner at the home of Assistant Secretary of the Treasury and Mrs. Winthrop, attended by Mr. and Mrs. Taft. Before the conference Mr. Taft announced that it would be entirely an executive session and that he should decline to give any details whatever, aside from the advance announcement that he should talk over many important matters with the president.

Besides consulting with President Roosevelt regarding various matters which may be available for cabinet positions, Mr. Taft will today have a conference with Secretary Root if such an appointment is found convenient, on the same subject.

During an interview between Judge Taft and Senator Aldrich the result of the work of the monetary commission was thoroughly gone over. Senator Aldrich, it was learned, is a thorough believer in the efficacy of the commission, and is an enthusiastic advocate of legislation which shall place into permanent law some of the recommendations which are to be made.

Judge Taft heretofore has gone over these matters somewhat in detail with Representative Burton of Ohio, who is a member of the commission, and from what was said by those interested in the subject, the prediction would seem a safe one that the next administration will be favorable to the enactment of at least some of the recommendations which will be made by this commission looking to permanent reform in the currency system of the country.

Judge Taft said that his interview with Senator Aldrich did not relate to the postal savings bank bill now pending. Representative Burton will have a conference with Mr. Taft today, at which time, it is believed, the subject will be pursued further.

George A. Knight of California was recommended for a cabinet position by Representative Duncan B. McKinley of that state. Ohio politics were discussed between Wade Ellis, assistant United States attorney general, and Mr. Taft. Cardinal Gibbons and Father Ketcham conferred as special representatives of Catholic Indians in connection with matters pending before the Indian bureau at Washington.

LEAGUE WILL PROBE ATTEMPTED BRIBERY

[Associated Press Telegram]
New York, Dec. 12. — Even more sensational than the tumultuous close of the recent National league playing season were the closing hours of the league's annual meeting, when charges of attempted bribery of umpires who officiated at the game that decided the championship of 1908 between New York and Chicago, at the Polo grounds Oct. 8, were sprung, and the magnates appointed a committee to probe them, even intimating that criminal prosecution might follow the investigating committee's report.

President Pulliam in presenting the charges stated that Umpire Klem and Johnston, who officiated at the game in question, had made a signed statement that an effort had been made to bribe them with respect to their duties pertaining to that contest. In one of these statements the name of the person who approached the umpire was given as well as the names of persons he claimed to represent. In the other statements the names of the persons who approached the umpire were not given, this umpire stating that they were strangers to him.

BOY HAD POLICE UP IN THE AIR

[Associated Press Telegram]
Chicago, Dec. 12.—William Pollard, 22, driver of a grocery wagon, when arrested on the charge of being the author of the letters signed by the "Knights of the White Death," which have been received by citizens and prominent citizens and in which threats of death were made unless large sums of money were left at designated spots, admitted the truth of the charge, but said he sent the missives as a joke.

When confronted by the postoffice officials, Pollard laid the blame on his having read Conan Doyle's stories of crime. Fascinated by the novelist's lurid pictures of skulls, ghosts, grave raids, and all night vigils of detectives, Pollard declared he had determined to see how they would work out in the hands of the Chicago police. So he organized the "Knights of the White Death" and with a Sherlock Holmes fancy for the word wrote out a bundle of letters, all decorated with skulls and crossbones. The demands for money, he said, were simply added to enliven the mystery, as he never went to see whether the money was left or not.

A few days ago one of the letters reached the Rev. W. O. Wier, of Grace Episcopal church. It was accompanied by a small box, addressed through the mail, containing bones, apparently human, and the rusty handles of a coffin. Ten thousand dollars were demanded in this instance, the money to be left at night by the clergyman at a lonely spot. Detectives were posted at the place indicated in this letter and also at places indicated in similar letters sent to Rev. H. F. Roberts of Quinn chapel and A. C. Dixon of Moody institute.

"I got the bones and the coffin handles out of a graveyard," said Pollard, according to the confession obtained by the postoffice authorities, "and after reading all of his works I could get hold of I thought it would be a great joke to see what kind of Sherlock Holmes the police would be. It was fun to see how perplexed the police were and how the newspapers were trying to figure it out."

Pollard was arrested at Evanston, a suburb. He was held in custody pending further investigation.

Horse on a Trip

FINED \$200 AND STEWART GETS \$50

Latter Likely To Settle But Other Case Will Get Up Into Picture-Cards

Dan Lamma was fined \$200 and costs—the limit of the law—and ordered by Mayor Hamilton to stand committed to the Columbus workhouse until the fine and costs are paid at the rate of 60 cents per day.

Attorney Adams' motion for a new trial was overruled. He asked for suspension of sentence until the petition on error is filed in common pleas court.

Lamma will not have to pay the fine until the judgment of the court has been sustained by the higher courts.

If he could not pay the fine and should have to be taken to the workhouse the fine and costs would be sufficient to keep him there over a year. The costs at present amount to about \$20 and it would cost another \$20 to take him over.

Lamma is not in the best of physical condition and could probably file a physician's certificate which would release him from the workhouse sentence. It is alleged that he is addicted to the morphine habit, though he does not drink intoxicating liquor.

The penalty for the second offence under the Rose law is a fine of from \$200 to \$500 and the court shall order the place abated as a nuisance or compel the person to furnish \$1000 bond that he will not repeat the offence.

The Lamma case came to a close at 4:25 Friday afternoon. Mayor Hamilton announced that he found the evidence sufficient to convict Lamma of the offence charged in the affidavit and stated that he would sentence the defendant at 10 o'clock Saturday morning. The mayor's finding did not come as a surprise since it was known after the testimony of Ed Stewart and Clayton Frederick had been brought out on the witness stand that Dan Lamma, who has sat in many a game, was up against a "stacked deck" this time and luck was "dead again him." He had kept his eye firmly fixed on each witness and listened to every word, seeming to realize that the state had been dealt a full hand of trumps and that it was only a question of time until he would be called upon to "cash in" his chips.

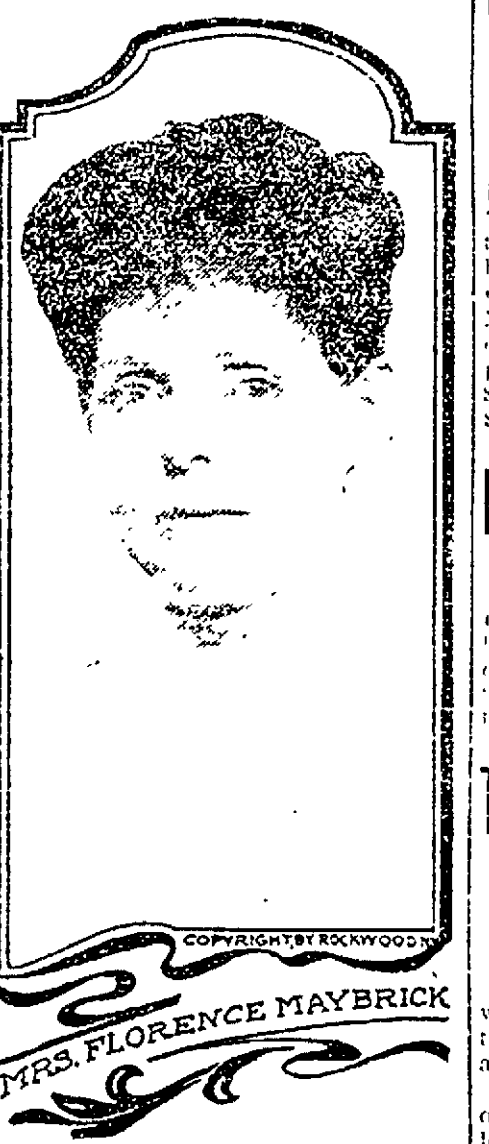

He had taken the gambler's chance and lost. His attorney, J. C. Adams, has called for a "new deal" and they will stake their last cent to carry the case through the higher courts.

Mayor Hamilton in his rulings upheld the Rose local option law and "stood pat" from start to finish. He ruled impartially and followed the law as closely as possible.

Men, who represent the county local option committee and the state Anti-Saloon league were silent spectators during the progress of the game.

MRS. MAYBRICK WHO WINS

LAND SUIT FOR \$2,500,000

Mrs. Florence Elizabeth Maybrick, who gained world-wide celebrity several years ago because of her incarceration in an English prison, following the death of her husband has won a land suit in the court at Richmond, Va., involving property worth \$2,500,000. Mrs. Maybrick and her mother, the Baroness von Roones, were joint plaintiffs in the suit to set aside deeds to 2,500,000 acres of land in Virginia, West Virginia and Kentucky.

There are many technicalities in connection with the new law, and in the opinion of many, there is a chance that the case may be reversed. It will be watched with deep interest when it comes up in common pleas court next February or March. Attorney Adams is preparing a complete bill of exceptions which will be filed within the next ten days. Prosecutor McDowell and Solicitor Williams were careful to prevent any errors from creeping into the record that could possibly be avoided.

Stewart was fined \$50 and costs, the court feeling that the young man had been a tool of Lamma and victim of circumstances. He had pleaded guilty and the law also exercises leniency under such circumstances. It is likely his father will pay his fine.

A buggy was secured from a neighbor along the line and the mail carrier continued his route none the worse for the experience.

END OF A RED NOSE
New Flesh-Colored Product That Heals and Hides Skin Imperfections.
A peculiar feature of pos'am, a new skin discovery, is that it is naturally flesh-colored and contains no grease, so that when used on the face for the complexion, or for pimples, red noses, or any other inflammations, it does not clog the pores. Its presence cannot be detected. It can thus be applied in the daytime, the natural color of the skin being immediately restored and the actual healing and curing process accomplished in a few days. It can be had of any pharmacist who sells bare drugs. C. E. Anderson makes a specialty of it. Fifty cents' worth will answer either for the troubles mentioned or in curing ordinary cases of eczema. Itching stops at once.
The Emergency Laboratories, No. 22 West Twenty-fifth street, New York, are the sole dispensing agents for pos'am in the United States, and will send an experimental quantity free by mail in plain wrapper to all who write for it. This will show results after an over-night application.

BIRD'S RUN TO TEST FOR ANOTHER WELL

Frank McKee, who is drilling the wells for the Bird's Run Oil & Gas Co., on the eastern border of Coshocton county, stated while in town Friday that preparations are being made to sink another well 1100 feet south and 200 feet west of the well drilled in a few days ago. The new well will be on the Frank Forney farm and it is believed that the right location has been chosen for a good gas well, with possibly some oil. Mr. McKee expects to begin drilling about next Friday.

JUDGE TAFT AT CHURCH JUBILEE

New York Dec. 12.—There will be a great gathering of distinguished citizens at the Metropolitan temple in this city tomorrow evening, the occasion being the dedication of the McKinley memorial organ. Most prominent among the speakers will be President-elect William H. Taft who is a personal friend of the Rev. Dr. John Wesley Hill, pastor of the temple. Dr. Hill offered the opening prayer at one of the sessions of the Republican national convention at Chicago.

The temple has planned a week's jubilee, beginning tomorrow night and lasting until the following Sunday. Andrew Carnegie and Colonel John James McCook of New York member of the famous "Fighting McCooks" will speak tomorrow night in addition to Judge Taft. On Wednesday evening Governor Hughes will deliver an address, and on the evening of Sunday, Dec. 20, Vice President-elect Sherman will speak. On the morning of Sunday, Dec. 20, Bishop Goodsell and the Rev. Dr. J. M. Buckley will be the speakers.

The organ was installed through the liberality of several men of wealth, Mr. Carnegie among them, and the subscriptions of the church people and public to what is designated as a very memorial to the late president in a church of the denomination to which he belonged.

ITCHING HUMOR ON LITTLE BOY

His Hands were a Solid Mass, and Disease Spread All Over His Body —In Four Days the Child was Entirely Cured—Mother Strongly

RECOMMENDS CUTICURA SOAP AND OINTMENT

"One day we noticed that our little boy was all broken out with itching sores. We first noticed it on his little hands. His hands were not as bad then, and we didn't think anything serious would result. But the next day we heard of the Cuticura Remedies being so good for itching sores, etc., that I thought I would get them. By this time the disease had spread all over his body, and his hands were nothing but a solid mass of this itching disease. I went to the drug store and purchased a box of Cuticura Soap and one box of Cuticura Ointment, and that night I stripped my little boy and took the Cuticura Soap and lukewarm water and washed him well. Then I dried him with a soft bath towel, and took the Cuticura Ointment and rubbed him thoroughly with it. I did this every evening before I put him to bed and in three or four nights he was entirely cured. You have my permission to publish this because anybody who suffered as my little boy did ought to know of the Cuticura Remedies. I will surely and gladly recommend the Cuticura Remedies for they are a godsend to all suffering with skin diseases. Mrs. Frank Donahue, 208 Fremont St., Kokomo, Ind., Sept. 16, 1907."

PIMPLES And Blackheads Prevented and Cured by Cuticura.

Gently smear the face with Cuticura Ointment, the great Skin Cure, but do not rub. Wash off the Ointment in five minutes with Cuticura Soap and hot water and continue to bathe the face freely for some minutes. Repeat morning and evening. At other times use hot water and Cuticura Soap for bathing the face as often as agreeable.

Lungs and Throat Cured.

Mr. I. P. Swords, of Washington, D. C., who is 70 years old, praises Duffy's Pure Malt Whiskey for curing his lung and throat trouble from which he had suffered for two years. Mr. Swords says that it is a fine tonic for building up the system.

In a recent letter he writes: "I am an old soldier of 70 years. My trouble is with my throat, and general debility. Have read a good deal about Duffy's Pure Malt Whiskey and the good it has done many. While I hesitate to have my name in print, I cannot refrain from giving my testimony regarding the great benefit I have received from the use of Duffy's Pure Malt Whiskey. During the last two years, my lungs and throat have given me much trouble. Taking Duffy's Pure Malt Whiskey according to the directions on the bottle, I found helped me wonderfully. It is a fine tonic for building up the system."—I. P. Swords, Washington, D. C.

Mr. Swords, like thousands of others who have been cured by Duffy's Pure Malt Whiskey, is glad to tell of it, so that others who are sick may know of this great medicine.

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach. It cures nervousness, typhoid, malaria, every form of stomach trouble, diseases of the throat and lungs, and all run down and weakened conditions of the brain and body. It is prescribed by doctors and is recognized as a family medicine everywhere.

CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It is the only absolutely pure medicinal malt whiskey and is sold in large sealed bottles only, never in bulk. Price \$1.00. Look for the trade-mark, the "Old Chemist," on the label, and make sure the seal over the cork is unbroken. Write Consulting Physician, Duffy Malt Whiskey Co., Rochester, N. Y., for a free illustrated medical booklet and free advice.

The Well Known Physician and Specialist, FRANKLIN MILES, M. D., will send a \$2.50 Improved Special Treatment Free to Each of Our Afflicted Readers.
MANY CHRONIC AND SO-CALLED "INCURABLE" CASES CURED AFTER OTHERS FAILED.
There never was a better opportunity for persons suffering from diseases of the heart, nerves, liver, kidneys, stomach or dropsy and rheumatism to test free a Special Personal Treatment for these disorders. Dr. Miles is favorably known as a leading specialist in these diseases, and his liberal offer is certainly worthy of serious consideration.
His new system of Special Treatment is thoroughly scientific and immensely superior to the ordinary methods. They consist of several new remedies, carefully prescribed to suit each individual case and are the direct result of twenty-eight years' extensive research and remarkable success in treating this class of diseases. They include curative elixirs, tonic tablets, eliminating pills and usually a plaster. These treatments are three times as successful as those usually given.
"You cured me," writes Truman D. Woose, Editor Chicago Times-Herald, "Mrs. Emma Scheier, Maize, Kans., cured after 3 doctors failed. Mr. E. H. Chase, Andover, N. Y., after 12 failed. Mrs

YOUR STOMACH
WILL DIGEST
ALL YOU EAT

Nothing will remain undigested or sour on your stomach if you will take Diapiesin after your meal. This powerful digestive and antacid, though as harmless and pleasant as candy, will digest and prepare for assimilation into the blood all the food you can eat.

Eat what your stomach craves, with out the slightest fear of indigestion or that you will be bothered with sour risings, belching, gas, or Stomach, Heartburn, Headaches, or Stomach. Nausea, and Bile, or other disagreeable ailments.

If you will get from your pharmacy a 50-cent case of Pape's Diapiesin you could always go to the table with a hearty appetite, and your meals would taste good, because you would know there would be no indigestion or sleepless nights or headache or stomach misery at the next day, and, besides, you would not need laxatives or liver pills to keep your stomach and bowels clean and fresh.

Pape's Diapiesin can be obtained from your druggist, and contains more than enough triangles to thoroughly cure the worst dyspeptic. There is nothing better for Gas on the Stomach or sour odors from the stomach or to cure a Stomach Headache.

You couldn't keep a handier or more useful article in the house.

Special Sermon Series
Begins At Carnegie Hall

With Sunday next, Dec. 13th, Trinity parish, (Episcopal) begins a series of "Special Preachers" one each month on or as near the first Sunday of the month as is possible.

Unless otherwise announced, these sermons will be delivered at the usual morning hours and in Carnegie hall. The first sermon of the series will be preached tomorrow morning by the Rev. Edward T. Mathison, rector of the large and beautiful St. Timothy's church, Massillon. Mr. Mathison has very kindly consented to take the place of the Reverend Lewis P. Franklin of Newark, at the last minute, was forced to go to Mt. Carmel hospital, Columbus, on account of sudden illness.

Mr. Mathison is a man of pronounced personality and presence, being over six feet four inches in height. He is a New England man, lately come to Ohio, and a preacher of thought and force. At Massillon, he has followed two years of unusual preaching powers; and has most successfully carried on the work there since his recent arrival.

A cordial welcome is extended to any and all persons who desire to attend these or any other services of Trinity. The next "Special Preacher" is to be the Bishop of the Diocese, Rt. Rev. Dr. W. A. Leonard, of Cleveland, the first Sunday in January.

Ask Your Neighbors

So many people scattered all over the American Continent have been cured by Dr. Pierce's Family Medicines that there's scarcely a hamlet where some of these grateful people are not to be easily found—ever ready to say a good word for the medicines which cured them and which very likely may cure you, if similarly afflicted. Look them up. They are walking advertisements for Dr. Pierce's medicines—ever ready to pass the good news along that these medicines cure when many others fail. Little advertised NOW, because their record of 40 years of cures makes great displays of their merits unnecessary. The great American people, pretty generally know of their unequalled record.

It Will Help You

It is a genuine, curative medicine, that builds
up the female system and relieves female pain.

Mrs. M. A. St. Clair, of Eskdale, W. Va., writes:
"Before taking Cardui, I had given up all hope of
getting well. I had suffered for 3 years with my
left side and was confined to my bed, so I took Cardui,

The Fountain Dry Goods Company

CALLS PARTICULAR ATTENTION TO ITS Immense Showing Of Furniture Suitable For Christmas Gifts.

(Prices here are lowest, because quality here is highest. No inferior furniture at any price.)

Bamboo-Trimmed Shirt-Waist Boxes.

One from our holiday showing of shirt-waist, skirt and shoe boxes will settle the gift question satisfactorily for someone. A wife, mother, sister or daughter will surely appreciate such a gift. We show all sizes in plain neat designs. Prices—\$2.25, \$2.50 and \$3.50 to \$7 and \$8.50.

Mission Skirt Box in Reg Embossed Leather, \$5.00.

Circassian Walnut Bed-Room Suites.

We introduced circassian walnut bed room furniture in Coshocton. Our success with it has been phenomenal. Folks who know true elegance when they see it, find it at a popular price in our furniture section. We show a three piece suite consisting of low bed, dresser and chiffonier in this beautiful wood at a price as low as oak.

Three Piece Circassian Suite—Sheraton design—\$65.00
Three Piece Circassian Suite—Colonial Reproduction—\$100.

Turkish Leather Rockers--Some New Styles.

A gift for a man—or a woman—either—beauty, luxury and comfort in happy combination. Nothing could be more appropriate for a gift. There is a place in every home for at least one such. The numbers we show will last a life-time. Most all in genuine leather. If there is one in imitation, we will point it out to you. The prices are unusually low. We can save you 25 per cent on Turkish Rockers. Price, \$15 and \$20 to \$15 and \$60.

Hale Sectional Book Cases.

The unit system of book-case construction is conceded to be the most popular kind of case in use, owing to the fact that you can add to it as your library grows; also the many beautiful arrangements you can make by the ever changing conditions of the home and library. Some exclusive features of the Hale sectional book-cases. Every section has a shelf at the top as well as at the bottom; this shelf prevents the door from striking the books, makes the case dust proof and air tight; also makes the case very strong and rigid. The doors are controlled by an extender which makes them absolutely non-binding. The bottom shelf in each section is solid and can be arranged that it cannot sag or bind the door below. Each section is solid and non-collapsible and can be handled full of books. No protruding shelves or iron bands to mar the appearance. Finished in Early English, Golden Oak and solid Mahogany. Very suitable for Xmas gifts. Visit our furniture section for demonstration and prices.

Dining Room Furniture.

The dining room should be the most cheerful and the best furnished room in the home; its beauty may be enhanced by the addition of a new table, buffet, sideboard, china cabinet or set of chairs; any of the above mentioned pieces would make a very acceptable Christmas present. The new DUO-STYLE table may be partially extended without dividing the pedestal, a feature worth considering when you purchase a table. Buffets, Sideboards and China Cabinets in endless variety, in Golden Oak, Early English, Oak and Mahogany, starting as low in price as \$15—ranging up to \$80.

An unusual showing of cheap, medium and high grade dining chairs, made by the most skilled artisans in the country. Try a set of chairs for a Christmas present. Prices range from \$5.40 to \$45 per set.

Pedestals and Tabourettes.

In the furnishing of the various rooms in a home, too much attention cannot be paid to the smaller details—such as pedestals and tabourettes. They add largely to the appearance, besides being an article of convenience.

We are showing an exceptionally strong line this year in Mahogany, Golden Oak, Early English, Oak, Circassian Walnut in 18 in., 24 in., and 36 in. heights. If you want an inexpensive gift for someone, these articles are very appropriate and useful the year round. Prices range from \$2.50 to \$8.00.

Combination Bookcases and Writing Desks

The combination bookcase and writing desk is perhaps used to greater advantage than any other piece of furniture in the house. It provides a place for books of all sizes—having adjustable shelves—a writing desk, convenient pigeon holes and small drawers for filing away receipts and valuable papers. Beneath the desk is arranged either a set of large commodious drawers or cupboard space for storing away articles that otherwise get lost. The prices on our combination cases are \$12.00, \$12.50, \$15, \$16, \$16.50, \$20, \$25, \$27, \$28 and \$34.

Parlor Furniture

Every housewife prides herself in the furnishings of that "best room," some prefer not to call it parlor—but the furniture for that room is called parlor furniture. We are showing a beautiful collection of three piece suites and odd pieces, consisting of Davenport, adjustable couch, chairs, rockers, music cabinets, parlor and curio cabinets, etc., etc.

Three Piece Parlor Suites from.....\$24 to \$75
Davenports from.....\$36 to \$75
Music Cabinets from.....\$6 to \$26
Curio Cabinets from.....\$28 to \$58
Parlor Cabinets from.....\$12 to \$28.50
Morris Chairs from.....\$8.50 to \$27
Rockers from.....\$2 to \$25

Mission Library Tables and Chairs.

In calling your attention to our showing of quaint furniture, brief reference may properly be made to the fundamental principles underlying this fascinating period of furniture. Simplicity, durability, harmony, comfort, and inexpensiveness are some of the requisites that have made Arts and Crafts the most popular of all periods. Its plain surfaces, simple, graceful outlines, and rich, soft colors are beautiful without ornaments or carving. We have library tables in various sizes in the popular Early English finish at a range of prices to suit all. Chairs and rockers—some are upholstered and some have loose cushions of soft Spanish Leather—very appropriate for Xmas gifts. Prices from \$5 to \$13.50.

McDougall Kitchen Cabinets.

Our Christmas stock of McDougall Cabinets is now complete and we want every one to come in to see them this week. They are made of solid oak, white enamel lined cupboards, glass front flour bin, with sifter attachment, metal bread and cake boxes and the bases have a full sliding table top covered with aluminum, which has no cracks for water or crumbs to get through.

See what others offer you in Kitchen Cabinets and then come and let us show you the McDougall styles. As a Xmas gift you can't give anything that will contribute as much to the comfort, health and happiness of the wife or mother as a McDougall Kitchen Cabinet. It will make her work easier and her life happier as long as she lives. See our Christmas display at once before the stock is broken. Prices range from \$12.50 and \$16.50 to \$27.50.

THE FOUNTAIN DRY GOODS CO.

NEW CAR IS FIRST OF CROP OF 1909

A large number of interested and curious people thronged the Knoff garage Friday and Saturday looking over the fine points of the new Ford touring car purchased by Knoff and Wisenburg. The car, according to Mr. Wisenburg, are on the distance between Cleveland and Coshocton in great style, howling over sleighing

and muddy roads without hesitation. It is very lightly constructed, and is said to have the strength of Hercules; all enclosed from the mud, simplicity in all parts, it is the new dream of Henry Ford realized. The car is handsome red with heavy black striping, 191 inch wheel base, 29 in. and with a capacity for speed that could bid goodbye and get away from a baby cyclone. Leaving Cleveland at 11 Thursday morning Messrs. Knoff and Wisenburg came chugging softly into the garage Thursday evening at five o'clock well bespattered with mud and with a smile for their new pet.

NATURE'S WARNING

Coshocton People Must Recognize and Heed It

Kidney ills come quietly—mysteriously. But nature always warns you. Notice the kidneys' secretions. See if the color is unhealthy—If there are sediments and sediment, passages frequent, scanty, painful. It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes. Doan's have done great work in Coshocton.

John W. Sharer, retired carpenter, 545 Century street, Coshocton, Ohio, says: "For years my health had been poor, due to kidney disease. My back was weak and the kidney secretions unnatural, being very scant at times, while at others profuse. Seeing Doan's Kidney Pills advertised, I procured a box at Siegel's & Williams' drug store and they gave me prompt relief. By the time I had used two boxes, I was free from all the aches and pains and my kidneys had become normal. I am now enjoying much better health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

EXAMINING BOARD MET AT WARSAW

For the first time at least in many years the board of county school examiners met Saturday in Warsaw. Instead of this city as is the custom, Members Shaw and Fry both dwell in that vicinity one at Nellie and the other at Mohawks, and Pres. McDougall of the board drove up from Roscoe to sit with them and go over the exam papers of last Saturday.

THE CHRISTMAS DINNER

In spite of the fact that the word dyspepsia means literally "bad cook," it will not be fair for many to lay the blame on the cook if they begin the Christmas Dinner with little appetite and end it with distress or nausea. It may not be fair for any to do that—let us hope so for the sake of the cook! The disease dyspepsia indicates a bad stomach, that is a weak stomach, rather than a bad cook, and for a weak stomach there is nothing else equal to Hood's Sarsaparilla. It gives the stomach vigor and tone, cures dyspepsia, creates appetite, and makes eating the pleasure it should be.

Mrs. Mary Fink Ogde is the guest of her parents on South Second street. She will stay until after Christmas.

The old fashioned way of dosing a weak stomach, or stimulating the heart or kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak stomach, heart, or kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by C. E. Anderson, Coshocton, and by C. M. Ferguson, Roscoe.

WOMEN ARE VICTIMS

Indoor Life and Lack of Exercise Causes Piles

More women than men have piles. It is because they take so little outdoor exercise and are so often constipated. There is a stagnation of blood in the lower bowels, and an amount of cutting or tearing of the rectum, which, if not promptly removed, will cause piles. Dr. J. J. Schetz's Remedy, an internal tablet medicine, will permanently cure any case of piles, restoring the entire system. Price, \$1 at C. E. Anderson's, Fully Guaranteed. Dr. J. J. Game Tonight

Coshocton at Twin Cities
Zanesville at Ashland

Twin Cities losing to Mansfield Friday night puts the Bull Dogs on easy street. The goodies were on anxious avenue and a bark and howl of joy rent the air when the crowd of enthusiasts along with the Bull Dogs received the score from Mansfield last night. Twin Cities used up every ounce of energy they had against the Bull Dogs Thursday night and their best efforts against the Phenoms were very poor—Mansfield walking away with the game with twice the number of scores.

STOMACH, LIVER & LUNGS

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

Given Away.—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

Wm. E. Wright has commenced suit in common pleas court against Geo. E. Roche, now of Harrison County, administrator of Jennie Cone deceased, for \$2,904 for work performed as manager and overseer of Mrs. Cone's farm. The petition states that on December 2 the administrator refused to allow the claim. W. S. Merrell represents the plaintiff.
